

Shining like a blue diamond

## Description

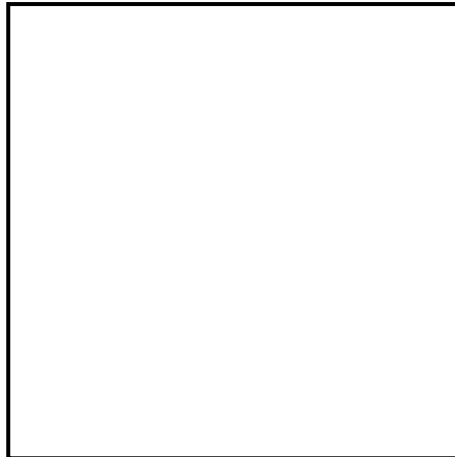

Our Blue Tunes this week is by another enduring artist who, in his latter years, may have become associated with the seniors set...but hey, he can still sing like a charm.

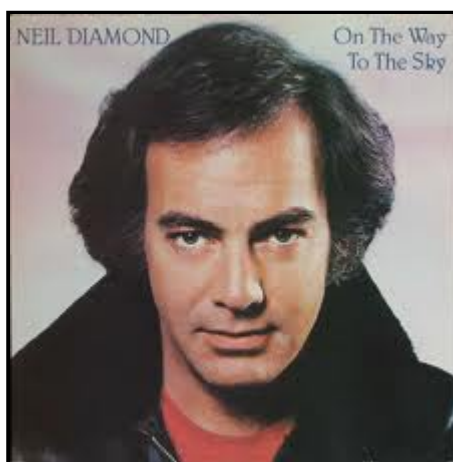

Try listening to any of his big hits without singing along: it is impossible.

Here is good old Neil Diamond and *one* of his hits that featured the word 'blue' in the title.

Can you name the other one?

Click on the image to be taken to the clip.
